Report of Committee on Sessions.

Your committee appointed at the last session of this Conference to consider and report the correct method for numbering the sessions of the Texas Conference, beg leave to submit the following:

By action of the General Conference of 1902 a part of the territory and membership of the former Texas Conference was united with the undivided territory and membership of the East Texas Conference, to form the Texas Conference, as now constituted. This was not regarded by those connected with this movement as in any sense a cession of East Texas territory to the Texas Conference. The identity of the former Texas Conference being continued in name only. But the representatives of the two conferences at Dallas, in order to maintain the historic continuity of Texas Methodism, from its earliest beginnings to the present time, and through all the future, and to preserve our direct connection with the historic and heroic chapters that record the labors of our fathers in founding our church in the Republic of Texas, retained the name of the Texas Conference.

In view of these facts, we recommend that the sessions of our Conference be numbered from the first Methodist Conference held in Rutersville,

Texas, in December, 1840, and that the present session of this Conference be numbered as the sixty-sixth.

SETH WARD, JOHN ADAMS,
B. H. GREATHOUSE, F. A. DOWNS.

Resolution in Regard to the Episcopal Home.

WHEREAS, Bishop E. E. Hoss has rendered valuable and timely service to the Church throughout the State, by reason of his residence among us, and,

WHEREAS, We greatly need and sincerely desire his continued service as a resident Bishop. Therefore,

Resolved, 1. That we ratify the sale of the property in Dallas, known as the Episcopal Residence, and for a time occupied by Bishop Hoss as such.

2. That we hereby tender to Bishop Hoss the amount contributed by this Conference toward the purchase of said property, to be used by him at his own pleasure, in procuring a home for himself and family in his own right and title, at such place in the State as he may select. Provided, further, that any contributor to this fund so desiring shall have the right to give special direction to his contribution in accordance with the general purpose for which it was made.

3. That we respectfully solicit concurrence in this action by the several Conferences of the State and contributors to the fund.

J. T. SMITH,
SAM R. HAY,
JAS. W. DOWNS,
J. B. SEARS.

(*Note.*—The original resolution was lost, and it was impossible to get all the names signed to this resolution.—Editor.)

CHAS. U. MCLARTY.

The following were appointed Trustees for the Superannuate Homes:
R. W. Thompson, Dallas, Texas.
J. D. Campbell, Beaumont, Texas.
H. C. Pritchett, Huntsville, Texas.
D. H. Abernathy, Pittsburg, Texas.
R. M. Kelly, Longview, Texas.

Report of Investigating Committee in Case of C. R. Lamar.

We, your committee appointed to investigate certain charges against Rev. C. R. Lamar, beg leave to report as follows:

We have given the most thorough and careful consideration to all the evidence obtainable, the accusing witnesses being before us. We are convinced of their perfect sincerity in the statements made by them; but, inasmuch as there is no proof of evil intent in the act alleged, we report no trial necessary.

With reference to the altercation at Overton, in which the said C. R. Lamar was involved, it is the opinion of your committee that he was not justified in striking J. D. Irwin. We cannot approve his conduct. But in view of the further fact that Bro. Lamar has confessed to the Conference his wrong, and expressed regret therefor, we recommend no trial.

Pittsburg, Texas, Dec. 1, 1905.

SETH WARD,
W. F. PACKARD,
G. R. HUGHES.

Resolved, That we deeply sympathize with our brother, Rev. Charles R. Lamar, in the midst of his trials and perplexities, and assure him of our continued confidence in the integrity of his character, and in the purity of his life.

W. F. PACKARD,
J. W. MOORE,
I. F. BETTS,
SAM R. HAY,
J. B. SEARS.

Signed by more than twenty members of the Conference.

Report of Standing Committee on Orphanage.

We have had before us and carefully considered the report of the Directors of our Orphanage, and have also had before us the manager of this institution, and from these sources of information we are prepared to report everything connected with this work in a satisfactory and flourishing condition. The property of the Orphanage consists of the following, viz: 28 acres in the campus in the city of Waco, with two brick buildings thereon, one for the boys and one for the girls, and also substantial outhouses; 175 acres in a farm two miles from the city of Waco, of the value of $60,000. From the opening of the Orphanage fifteen years ago there has been received into the home 429 children. During this time only eight have died. Nineteen of the girls have grown to womanhood and have married and are now living Christian lives. Two of the boys raised and educated in the Home are now drawing salaries of $75 per month. Two of the girls of the Home are now attending the normals of the State, one at Huntsville and one at San Marcos. Three hundred and three of the chidren who have been in the Home during this time have been placed in Christian homes, and are now under the oversight of the manager. The

school now is the best in the history of the institution. Rev. T. E. Bowman has recently been appointed assistant manager, and is proving a very efficient and useful addition to the institution.

There was assessed last year against our Conference, for the support of the institution, $2,250.00, and there was paid on this assessment $2,086.00. We regret to note a deficit of $164.

We make the following recommendations:

1. That the manager of the Orphanage be requested to close his financial year October 31 of each year and take a statement from his books, showing the financial condition of the institution. This statement to show value of all property and receipts of whatever kind, and disbursements of same, giving names of all salaried employes and salaries paid. Also to keep a record book showing entry of all children and from the bounds of what Conference. That this statement be audited by the Directors and attached to and form a part of their report to each Annual Conference.

2. That the sum of $2,250.00 be assessed against this Conference for the support of this institution for the ensuing year, and that the pastors be requested to take the collection for this purpose as early in the year as possible.

3. That the names of L. L. Jester and James Kilgore be added to this committee in the place of D. N. Harris and C. A. Beazley.

WEEMS WOOTTON, Chairman,

F. M. BOYLES, Secretary.

Report of Committee on Books and Periodicals.

We have heard with satisfaction of the continued prosperity of our Publishing House. The net sales for the nine months ending December 31, 1904, were $359,836.15, being an increase over the corresponding nine month of the previous year of $28,362.02. The total cash items are $140,523.08.

The report of our book agents shows the total assets to be $988,896.33. less $12,447.48, liabilities, leaving a capital, as per ledger, of $961,440.48, being a net gain of $37,361.96.

Our Dallas house merits the patronage and the enthusiastic support of our ministers and laymen, and we rejoice to learn that it is receiving the same. A career of great usefulness is assured to it.

The Christian Advocate, our central organ, should be circulated as far as possible by our ministry, and our General Conference should provide such improvements as will make it the equal of any church paper, and a worthy representative of our great Methodism.

The Review is ably edited by Dr. Tigert and belongs to the first class of Reviews.

We note with pleasure the enlarged circulation and the increased size of the Epworth Era. All our young people should become subscribers for the same.

Our Sunday School literature compares favorably with the best and furnishes still the largest revenues to the house.

Marked improvement in the mechanical features of the Epworth Era and our Sunday School periodicals in the near future is promised by our agents. Doubtless our Mission Board will bring in a report on "Go Forward," but we can not refrain from adding a word of commendation.

The Texas Christian Advocate belongs to us, and is the organ of the Methodist church in Texas. It should therefore be given the right of way in all our congregations. It is ably edited, and is a power for civic righteousness. Its circulation continues to increase, and we trust that it will continue to do so until it may be found in every Methodist home. Our people can not do without it.

We recommend the election of Rev. Jas. Kilgore to fill the vacancy on the Joint Board of Publication of the Texas Christian Advocate, caused by the transfer of the Rev. J. B. Cochran.

We submit the following resolution:

Resolved, 1. That the members of the Joint Board of Publication of the Texas Christian Advocate be elected for a term of four years, on nomination of the Committee on Books and Periodicals at the Annual Conference next following the General Conference.

2. We will be more diligent in circulating good books and commending our own doctrinal literature to our people.

3. That we will pledge our hearty support to our Dallas house.

4. That we urge our preachers to take the Quarterly Review, and urge our members to take our Advocates, especially the Christian Advocate, published at Dallas.

C. A. HOOPER, Secretary. J. W. MOORE, Chairman.

Resolution as to the Presidency of Bishop Key.

WHEREAS, the Texas Conference has not in many years enjoyed the presidency of Bishop Key; and,

WHEREAS, this session is his first visit to the Greater Texas Conference; therefore, be it

Resolved, 1. That his ministrations officially have been eminently satisfactory, and his wise counsels and profound and timely preaching a marked benediction.

2. That we express our confidence in his leadership in the many important and delicate situations now before us.

3. That we respectfully request the college of Bishops at their next sitting to continue the Texas Conference under Bishop Key's supervision.

Report of Epworth League Board.

We are constrained to express thankfulness for this department of our church. The movement is of God, and his blessings are attending it; and in that it tends to the culture and refinement of our young people, intellectually, morally and spiritually, it deserves and challenges our loyal support.

More than 300,000 young people have been helped to a higher life. The League has inspired hundreds of young people to be Christians, scores to enter foreign fields, and has contributed $175,000 to the cause of missions.

During the last year there has been added to this splendid movement 584 chapters of the Senior League and 113 of the Junior League, with 16,720 members. Of this splendid growth our own Conference has furnished four senior chapters and three junior chapters.

It is with profound gratitude that we report the almost incredible success of the Epworth League Encampment at Epworth-on-the-bay. The church has secured a magnificent property valued at $16,500.00, without one cent of cost to the church. The property is deeded in fee simple, with trust clause to trustees and their successors. We consider it the most splendid thing of the kind in the whole South. The property consists of eighteen acres of land, a large auditorium, a restaurant, a system of waterworks, a recreation pier, a railroad station, a keeper's lodge, chairs, cots, tents, etc.

The first encampment was in August of the present year. Epworth presented the appearance of a tented city. There were 1500 campers, and the assembly had more than 5000 visitors. It was by far the most successful meeting of the kind ever held in the state. Prominent churchmen in and out of the state were present, and the addresses delivered would do credit to any religious assembly. And yet the next assembly promises to surpass this by far, and to provide courses of study as in the Moody Bible Schools and Chautauqua courses with the very best American talent.

It is with pride that we report that during the assembly almost perfect order, good will and behavior prevailed, insofar that visitors from afar remarked upon the splendid deportment of our Texas young people.

We cannot close our report without calling attention to the fact that while the assembly property belongs to Texas Methodism, the chairman of the Locating Committee, the present chairman of the assembly, and one whose wise counsel and untiring energy made the assembly not only possible, but a magnificent success, is a member of our own Conference, *i. e.*, the Rev. Geo. S. Sexton.

We make the following recommendations:

1. That sessions of our several District Conferences give prominence to the work of the Epworth League, and wherever practicable the day previous to the day fixed for District Conference be used for the Epworth League District Conference.

2. That the evening of the opening day of the Annual Conference be set apart for a League anniversary.

3. A wider circulation for our sprightly League paper, The Epworth Era. That the pastors urge its use, as it is absolutely indispensable to the highest quality of League work.

4. That Junior Leagues be organized wherever possible.

5. That we endorse our Epworth League Assembly and do our young people a favor by commending the encampment to them.

6. That this Conference confirm the appointment of Rev. Geo. S. Sexton and Theodore Bering, Jr., as trustees of the Epworth League Assembly property.

We also offer the following resolution:

Resolved, That an expression of our high appreciation is due and is hereby tendered Geo. S. Sexton and his colleagues for the valuable services rendered the church in securing the property of the League Assembly, which will be a blessing to our young people for all time, and for the great success and blessing of the August Assembly.

J. W. BERGIN, Secretary. G. E. CAMERON, Chairman.

Report of Committee on Memorials to General Conference.

We recommend concurrence in the following memorials:

1. *Resolved,* That it is the opinion of this Conference that the withholding of the proceeds of the publishing house from the superannuates and its appropriation to the endowment fund, is a manifest injustice to our heroic band of superannuated preachers, and we hereby memorialize the General Conference to repeal that regulation.

J. W. MOORE,
JAS. KILGORE,
E. W. SOLOMON.

2. We, the undersigned members of the Texas Conference Epworth League Board, memorialize your body regarding the need of a special enactment governing the Epworth League property of our Church.

We now hold at Corpus Christi a valuable property worth sixteen thousand dollars, known as the Epworth League Assembly property, the deed

being made to Geo. S. Sexton and others as trustees, the deed containing the trust clause. There are other valuable rights involved.

Realizing the importance of the League, its work, and the value of its present holdings, we feel that your body will see the necessity for the action which we recommend.

G. E. CAMERON,
G. V. RIDLEY.

3. That we memorialize the General Conference at its next session to make provision for giving the General Sunday School Secretary such assistance as will enable the board to give us one secretary for work in Texas.

A. C. BIGGS.
J. W. MOORE, Chairman Com. Memorials.

(Note.—Those memorials that were not concurred in are not here printed, not having been adopted by the Conference. —EDITOR.)

Report of Woman's Home Mission Society, Texas Conference.

The education of a people on moral and religious lines is a tedious process, and while our year's work may not be all we had hoped for, we are thankful and take courage from the fact that a gradual, healthy growth is more durable than the spasmodic kind.

The co-operation of the preachers in most charges has been a great incentive to good work on the part of the auxiliaries.

With 121 auxiliaries, dues were paid to the amount of $2,145.47; and raised for the general work, $1,114.58.

City mission work has been enterprised in Houston, Galveston and Tyler.

Houston has a settlement home with a deaconess in charge and several volunteer helpers, and expended $659.49 during the year.

Galveston has a trained worker.

All auxiliaries do local charity and mission work and church visiting, making 19,092 visits to sick and strangers, distributing 4,937 garments, and supplies valued at $2,342.90.

The department of supplies has received its usual amount of attention. Forty-seven boxes were sent, valued at $142.00.

About 700 copies of "Our Homes," the official organ of the W. H. M. S., are in circulation; 11,768 leaflets sent out; 50 auxiliaries observed the week of prayer, which is really an annual institute by local workers.

Four hundred and twenty-five prayer meetings were held, and tithing, or giving as God has prospered us, is stressed and practiced by over two hundred members.

The only hospital movement is the Florine McEachern Brigade, that added 307 members this year, while the Baby Roll added 232.

The women of the Texas Conference raised and expended on local church work $5,749.89, and on local parsonage work, $4,578.44, an excess in favor of the church work.

The following donations were made by the Conference Society, viz:

North End, Beaumont	$150 00	Arleston	50 00
League City	150 00	Jacksonville Ct.	50 00
Kennard Mission	50 00	Davilla	50 00
Park Mission	100 00	Alvin	75 00
Livingston	50 00	Buckholts	50 00
Total donated			$750 00

Grand total of all moneys raised and expended for the year, $18,260.93, an increase of over $3,000.00 on last year.

MRS. GEO. CALL, Corresponding Secretary.

Report of Board of Church Extension.

For our twenty-third annual report we state we have had seventeen applications before us, aggregating $3,475,00. While we appreciate the fact that all of these places are in sore need of help, and while we know them to be worthy, we were compelled by our lack of funds to limit the appropriations. In some cases the amounts for which they asked were so large that the mere pittance at our command was thought to be inadequate, and therefore our Board could not help them. Church extension is one phase of missionary work, but too many pastoral charges pay their foreign and domestic missionary assessments in full and leave their church extension assessments unpaid. We fear that this is due to the unfair method of bulking the assessments and remitting to the Treasurer in the order in which the assessments appear when made. "First come, first served" is not in this case altogether equitable.

The total amount collected this year for church extension is $3,452.95. This amount has been disbursed as follows:

To the General Board of Church Extension.....$1,726 47

To printing minutes	$65 00	" Expenses of Secretary.	$ 6 00
" Goodrich	50 00	" Woodville	176 00
" Dayton	88 00	" Kirbyville	88 00
" Pleasant Ridge	88 00	" Pleasant Hill	50 00
" Durango	90 00	" Pine Hill	50 00
" Laneville	132 00	" Waller	132 00
" Madisonville	88 00	" Bedias	88 00
" Magnolia	88 00	" Alexander	88 00
" Brunner	132 00	" Musgrove	50 00
" Burton	139 00	Total disbursed ...	1,726 48

Grand total $3,452 95

The assessment by the Parent Board on the Texas Conference for the ensuing year is $4,450.00, which we have apportioned as follows:

Beaumont District	$360 00	Huntsville District	$378 25
Houston District	578 50	Pittsburg District	485 25
Palestine District	445 00	Calvert District	445 00
Tyler District	511 75	Marshall District	400 75
Brenham District	422 75	San Augustine District.....	422 75

The Board re-adopted the following resolution:

Resolved, That we do hereby instruct our Secretary not to bring any applications before us which he does not receive at least thirty days before the meeting of our Board at the session of our Annual Conference, nor shall any application be considered which reaches him later than thirty days previous to the session of the Annual Conference.

IRA M. BRYCE, Secretary. H. C. WILLIS, President.

Report of the Board of Education.

Your Board of Education has had before it reports from our various institutions of learning, and we are gratified to learn of the steady increase in all departments of our educational work.

Thirty-two new buildings have been erected during the year, at a cost of $434,558.00. There has been an increase in value of grounds and buildings of $1,153,763.00.

The total number of teachers is 1594, of students 29,078.

Number receiving free tuition, 1700. Number preparing for the ministry, 276.

We have in all 185 institutions, with a total income of over one million dollars.

The General Board of Education urges upon the Church two matters for special consideration, viz: our work among the negroes, and the work on the Pacific coast. Although there has been a steady increase in our collections for the negroes, there is much necessity for a larger and more generous contribution. The total collection last year was $10,746.13.

At Paine College there is great need for a special building in which to carry on the work of the Biblical Department; also for a larger teaching force, and of a biblical library.

Lane College was unfortunate in losing its main building, and is raising funds to restore it.

The last General Conference called special attention to the development of the work on the Pacific coast. All the Boards are co-operating to develop this field. Christian schools are greatly needed. Protestantism is weak and Catholicism and Materialism are strongly intrenched. Our people are far more destitute of the gospel here than our church usually supposes.

Vanderbilt University has, by reason of its loss by fire, been brought prominently before the Church. We are glad to say that notwithstanding the great loss, the University has brighter prospects today than ever before in its history. Two new buildings, costing $250,000, are in course of erection, which will take the place of the one destroyed.

By action of the Board of Trust the Biblical Department has been opened to such students as the faculty may approve, even though they may have been deprived of previous college training. This will open this department of the University to a much larger class of promising students.

The Vanderbilt is in every sense our own University, and should receive the warmest sympathy and most generous co-operation from all parts, not only of the great church to which it belongs, but also of the whole country to whose Christianization and general improvement it ministers.

The Correspondence School has had a marvelous growth, and is supplying a long felt need to our ministry. The contributions of the church have steadily increased for its support.

We are glad to learn of the continued prosperity of our central institution, Southwestern University. The enrollment in all departments shows an increase over preceding years. The University asks for an increase in the assessment over last year of fifty per cent.

A chair of Biblical Literature has been filled by Rev. J. Sam Barcus.

The Summer School of Theology was a great success the past year, and is worthy of the most hearty support of every member of this Conference.

The Medical Department opened up Oct. 2nd, 1905, in its new building, and has 85 students in attendance. This department has passed the experimental stage, and its success is now an assured fact.

The Conference is asked to grant permission to the regent of Southwestern University to take such steps as shall be necessary to combine the Board of Curators and the Board of Trustees into one Board, composed of an equal number of ministers and laymen, provided that no action shall be taken that shall cause the property to be subject to taxation.

We recommend that hereafter the members of the Boards of Curators and Trustees of Southwestern University shall be elected by the Conference upon the recommendation of the Conference Board of Education, and

that the term of office shall be four years, except that at the session of the Conference of 1906, of the two elected, one shall serve for two years, when his successor shall be elected.

Alexander Collegiate Institute has made large improvements under the efficient management of Rev. W. K. Strother as President, and we recognize in the association with him as principal, Prof. A. B. Phillips, a true and successful educator of ability. We also note with pleasure that Prof. E. L. Johnson, Ph. D., of Vanderbilt University, is a member of the faculty. We are pleased with the marked success of Rev. T. J. Milam as financial agent and those associated with him in securing for the material improvement of the property such a sum as to make now available for the new building $15,000.00 in cash and subscription. We further note that the Board of Trustees have adopted plans and specifications for a building that will meet not only the now pressing demands, but will furnish ample room for an enlarged patronage.

Your Board recommends: 1. That the trustees be authorized to sell the old school building and grounds, and invest the proceeds in the new building enterprise. 2. That the trustees be authorized to create a bonded indebtedness of not more than $15,000.00, to provide for the early completion of said new building, which is to cost about $30,000.00. 3. That this Conference hereby rescinds the action of last year by which it instructed the Treasurer of the Board of Education to retain the money collected for Alexander Collegiate Institute in his possession until instructed to pay it, and he is hereby directed to pay same annually to the trustees of the A. C. I. He is hereby released from any financial responsibility arising from the action of the Conference of 1904. That Rev. T. J. Milam be re-appointed Financial Agent, and that J. T. McClure and W. P. Devereux be elected to succeed themselves as trustees.

Chappell Hill Female College.—The trustees of this institution furnish a gratifying report under the presidency of J. E. Willis, assisted by a competent faculty. Some needed repairs have been made in the buildings, and the general condition of the property improved. The patronage is reasonably good. The present session bids fair to be a successful one. We recommend that the election of Rev. J. L. Russell and W. F. Davis as trustees be confirmed.

We further recommend that Rev. Nathan Powell be appointed to look after the interests of the Correspondence School throughout the bounds of the Conference, and that Rev. Jas. Kilgore be appointed conference Secretary of Education.

We recommend that the Bishop appoint Rev. Ellis Smith, Curator of Southwestern University, in the place of Rev. Seth Ward, whose term has expired.

We recommend the following assessments:

General Board of Education.....	$534 00
Paine and Lane Colleges.....	534 00
Southwestern University	3,900 00
Summer School of Theology	200 00
Alexander Collegiate Institute	1,000 00
Chappell Hill Female College.....	500 00
Total assessments	$6,668 00

(Note.—By the action of the Conference the assessment for $3,900.00 for Southwestern University was not ratified, and the assessment for $2,600.00 has been assessed.—EDITOR.)

Resolution as to Sabbath Observance, Dallas Fair.

Resolved, That a committee consisting of R. W. Thompson, W. F. Packard, A. C. Biggs, Cone Johnson and D. H. Abernathy be appointed to cooperate with a like committee from other Texas Conferences to confer with the management of the Dallas Fair in regard to the closing of the gates of said fair on Sunday, also to bring before the next Legislature the importance of having such legislation as will insure this, and also stop the running of excursion trains on Sunday, and further, to address the management of the various railroads within our bounds, asking them to discontinue the running of Sunday excursion trains.

J. T. SMITH.

Report of Committee on Sabbath Observance.

We have given as careful consideration to the very important subject which you have referred to us as time and circumstances would allow. We are both pained and alarmed at the desecration of the Christian Sabbath. The demands which are made by many of the great corporations, compelling thousands of our people to labor seven days in the week, is depriving them of all Sabbath privileges. We do not believe all these demands to be necessary in order to succeed in the work of these corporations. It has been demonstrated that not only men and animals, but machinery as well, will wear longer and render more and better service if allowed to rest one-seventh of the time. We do believe that the enterprises of great corporations, as well as those of private individuals, could, and should, be carried on with much less labor on the Sabbath than is now being done.

It is with great pleasure we note the fact that in some places trains are not allowed to run on Sundays; and one of the great railroad corporations, the Vanderbilt system, has declared against Sunday excursions.

We believe there is no danger threatening us today, as a church or as a nation, that is more alarming than the desecration of our Christian Sabbath. In the mad rush of the people after gain and pleasure, the Sabbath is being turned into a day either of labor or of sport and frivolity. From many of our towns and cities more men and boys are to be seen going out for a hunt on Sunday than on any day in the week.

The Sunday excursion trains which are being run by the railroads in our State are a great curse. The low rates offer a strong temptation, and many, otherwise good people, are overcome thereby, and are led into this desecration of the Sabbath. These low rate excursions do much to foster the Sunday baseball, the Sunday fair, and, indeed, many forms of Sabbath desecration. We believe the stability of our government depends upon the maintenance of our Christian Sabbath; for if we lose our Sabbath, then we will lose our assemblies of worship, and if we lose these we will lose our church and our religion. We believe the time has come when we should speak out strongly against every form of Sabbath desecration. Therefore, be it

Resolved, 1: That we most heartily endorse the action of the Northwest and the North Texas Conferences in the appointment of a committee to bring before our next State Legislature a petition to pass such laws as will prohibit these desecrations of the Sabbath.

2nd. That we as Christian ministers will preach on the law of the Sabbath, and warn our people of the danger of its desecration, and that we will not ourselves travel on the trains on Sunday except in case of necessity.

3. That we endorse the work of the Sunday League of America, and that we invite Dr. Edward Thomson, the general manager, to visit our territory whenever he finds it convenient to do so.

M. D. FIELDS, Secretary. ———————— Chairman.

Report of Sunday School Board.

We are gratified to see from the General Minutes of 1904 that our Sunday-school work has prospered throughout the whole connection. We have now a total attendance in our Sunday-schools of 1,115,257, which we note is an increase over the previous year of 26,481. We are also gratified to see from the report of Dr. Atkins that there has been a healthy and gratifying increase in the circulation of our Sunday-school literature. We also note with pleasure that our book agents have arranged to make some considerable improvement in the mechanical makeup of our Sunday-school periodicals. We believe we have the very best literature for our use that is to be had, and we rejoice at every improvement that is made upon it.

Dr. Atkins also informs us of a decided growth in the Home Department work, and one of the promised advances for the beginning of the new year will be the publication of a quarterly especially for and peculiarly adapted to the Home Department work, and we hope the publication and use of this quarterly will help in the further development of this department of our Sunday-school work.

We are also greatly rejoiced to learn that the Board of Trust of the Vanderbilt University has taken steps to establish in the Theological Department a chair of Pedagogy and Sunday-school Work, and we hope the General Conference will authorize the endowment of said chair by the Sunday schools. And we believe that such a chair might be established in our own Southwestern University with great benefit to our Sunday-school work in Texas.

We believe the time has come when, if we keep abreast with the advancement of the age, our Sunday-school workers must have better equipment. We rejoice at the work that is being done by Dr. Hamill, and are in hearty sympathy with the organization and work of the State Sunday-school Superintendents' Conference and have elected R. M. Kelly and Rev. M. F. Daniel as members of the State Board of Directors, but we are convinced that these helps cannot be brought in touch with all our Sunday-school workers without auxiliaries; therefore, be it

Resolved, 1. That we request all our Presiding Elders to make special arrangements for holding a Sunday-school Conference in his district in connection with his District Conference, or at such other time as he may think best, and organize his district auxiliary to the State.

Resolved, 2. That we request all our pastors to call the attention of their Sunday-schools to the meeting of the State Institute, to be held in the early part of the year, and that they secure the attendance of as many of their Sunday-school workers as possible.

Resolved, 3. That our Treasurer be instructed to retain all funds left in his hands, after paying the General Sunday-school Board and the Board of Education, and for Conference minutes, for the use of new schools and for the furtherance of Sunday-school work in the bounds of our Conference.

Resolved, 4. That we nominate Rev. V. A. Godbey as a member of the Sunday-school Board to fill the place made vacant by the transfer of Dr. H. M. Whaling.

Resolved, 5. That we memorialize the General Conference at its next session to make provision for giving the General Sunday-school Secretary such assistance as will enable the Board to give us one Secretary for work in Texas.

R. M. KELLY, Chairman.

The following is the Treasurer's Exhibit:

Amount on hand at the beginning of the year	$294 15
Received on Children's Day, this year	198 82
Paid out during the year for Sunday-school purposes	70 51

Paid for printing minutes	25 00
Paid General Sunday-school Board	19 90
Paid Board of Education	19 90
Balance in the treasury	357 66

R. M. KELLY, Chairman.

Report of Committee on Temperance.

Dear Brethren:

We have good reason to rejoice because of the triumphant movement of the temperance cause, not only within the confines of this Conference, but throughout the State of Texas, the United States, and the whole civilized world.

Within the greater part of the territory of this Conference the saloons have been closed by the invoking of our local option laws. As a result, the consumption of intoxicants has been decreased more than one-half, lawlessness has decreased, and the sober people are soberly turning to higher and nobler lives.

Methodism stands committed to every legitimate and non-partisan measure consistent with the freedom of the conscience—the Christian conscience—that has for its object the overthrow of the liquor traffic. Methodism would lead the van in a relentless crusade to tear the talons of the rum vulture from the vitals of our moral, physical and civic life. Methodism would put the stripes of outlawry upon every place where liquor is dispensed as a beverage. We have in our present local option statutes a most effective weapon and means for the attainment of this end, and we oppose any change in them that would in the least rob them of their vitality and effectiveness. The mere invoking of the local option law in a community is not always sufficient. It is as much the duty of a Methodist to use all legitimate means to enforce the law as it is his duty to vote the local option ticket. Methodism should assist in so sensitizing the public conscience that not only the local option law, but all other laws, will be duly enforced.

Education on the subject of Temperance has advanced so far that we do not believe any Methodist who has a proper regard for his standing in the church can vote for the opening of the saloon, either as an institution licensed by the State, or operated by an officer of the State. In this work of education Methodism has had a part, and we wish in this connection to commend the course of that illustrious field marshal of Temperance hosts, Dr. G. C. Rankin, nor would we fail to recognize the work of those golden-tongued evangels of a purer, brighter and better Christian era who have labored with him.

We endorse the work of the W. C. T. U. in this field of labor, and pray God's richest blessings may crown their efforts for the purity and protection of the home.

Methodism offers the glad hand of comradeship to all Christian churches of every denomination who have enlisted in the warfare for the overthrow of the liquor traffic. In God's name we know the battle must and will be won.

J. T. MCCLURE, Chairman.

J. B. TURRENTINE, Secretary.

Report of Committee on District Conference Records.

We have examined the records of Tyler, Palestine, Houston, Huntsville, Marshall, Brenham, Calvert, Beaumont and Pittsburg Districts. We offer the following suggestions and corrections:

Beaumont District.—A number of sentences appear not germane to a record of this kind, as "the Presiding Elder noted that a certain brother

fattened on his work,'' and on page 123 a P. S. is added to a resolution of thanks, reading ''and there was much water there V. A. G.'' Records speak of a brother being added to a committee to be hereafter appointed. The Secretary deals in too many adjectives in describing speeches and sermons, otherwise the records were well kept.

Pittsburg District.—The records gave six names as delegates to the Annual Conference. Mention of two resolutions adopted, but are not recorded. Name of President not signed to the minutes. With these exceptions the record is neat and well kept.

Marshall District.—This record is well kept, with some erasures that mar the record.

Brenham District.—On page 167 the words ''District Conference records'' are used, where it should be ''Quarterly Conference records.'' On page 168, the word ''pastorial'' is used, where it should be ''pastoral.'' Otherwise this is a model record.

Huntsville District.—The record is well kept, neatly arranged, and the work carefully done.

Tyler District.—In speaking of Mt. Sylvan charge, it states, ''there a seven Sunday-schools,'' when it should be ''are.'' In describing Colfax Circuit, the record states that this charge has an Epworth League in ''soak.'' The record otherwise is good.

Palestine District.—This is neat and well kept.

Houston District.—The record shows business transacted before the election of a Secretary. The Secretary is instructed to cast the ballot of the Conference for recommendation for Elders' orders to the Annual Conference of a certain brother.

Calvert District.—Abbreviations are used where they should not be. Some words are omitted what seem to be necessary. The signatures of the President and Secretary appear after the supplements, when they should be at the end of business transactions. Also the record has no official roll.

The record of the San Augustine District was not before us.

H. B. SMITH, Chairman.

Report on the State of the Church.

Christ himself is the omnipresent ground of all finite existence and activity. His bodily departure in the flesh was but to complete His spiritual presence in the world. He ascended on high that He might fill all things with His presence, and by Him all things cohere. In Him all fullness dwells. The church is His body, whose function is to execute His will, for it is the function of the body to execute the will of the head.

Christianity is a history, a truth and a life. It is a religion of facts. It appeals to the reason, touches the affections, and binds the consciences of men, on no other plea than its being a declaration of facts. The facts of our faith antedate its dogmas, but dogmas do not make, but express the facts. All creeds are but the broken lights of that one Light which lighteth every man that cometh into the world. The living reality is in historic facts, which have shaped every syllable of the records, and every formula of Christian experience. The living Person, with His incarnation, atonement, and resurrection, stands first and central, and then His apostles, and then the church, and creeds, and systems of theology.

Christ is the head over all things to the church. The church is under His subjection. The doctrines which it is the duty of the church to believe, profess and preach are such as He taught. The ordinances to be observed are His institutions. The laws to be obeyed are His laws. The matter of faith, the form of worship, the line of conduct, are alike sanctioned by His authority. Therefore, the church, with Christ for its Head, is not only to give life to the individual, to teach a man how to live, to teach him

how to follow Christ, but it is to carry to its completion the work which Christ said He had come to initiate, to preach glad tidings to the poor, to heal the broken hearted, to bring recovering of sight to the blind and liberty to the captives, to leaven and lift human society, refining its manners, perfecting its civilization and rendering its laws more just, and their administration more perfect. It fosters and popularizes education, co-ordinating in its culture the head, and heart, and will, and its ethics are broad enough to meet every exigency, and progressive enough to keep pace with any advance of culture or civilization. Its comprehensive and final aim is the physical, mental, moral and spiritual perfection of the human race. To this as its sole and controlling end, its history and its truth are completely subjected; from this they derive all their importance and interest.

The Church of God is founded upon the Rock of Ages. Regal potencies are in it, unfailing and undecaying, inexhaustible; potencies that, because they are of God, are to subdue and mould out human life. The gates of hell shall not prevail against it. Our Methodism we believe to be the truest and purest form of organized and aggressive Christianity on the face of the earth. The creeds of Christendom grow ever towards it, and not from it. It has molded the evangelical thought of the age. Its once rejected doctrines are now preached in nearly all Protestant pulpits, and every article of its creed now floats at the masthead of universal Christendom. The Lord hath done great things for us, whereof we are glad. Beautiful for situation and the joy of the whole world is our doctrinal position. The memoribilia of our past is a mount of vision, of aspiration and of hope, and a vantage-ground of greater things to come.

Our Southern Methodism has never made a retrogressive step since she emerged from the desolations of the great Civil War. And, today, she is advancing along the whole line of her militant hosts.

We are glad to note that the Texas Conference is alive and alert, rejoicing as a strong man to run a race, and is laying aside every weight of apathy, negligence, and is making progress throughout her expanse. Great revivals have characterized the work of the year in many places. Increased zeal and liberality are seen in many charges. Our members are more devoted to God and the church. Many of our prayer meetings are increasing in attendance, and the public and private worship is more constantly observed. When we consider the failure of crops in the larger portion of our Conference, all the enterprises of the church have gone forward.

Our church schools, Sunday schools, our Epworth Leagues, and our Missionary Societies are all advancing in progress and widening their sphere of usefulness.

Our preachers have preached a pure Gospel; have been evangelical in their spirit and diligent to withstand and drive away all strange and false doctrines that have obtruded themselves on the public notice, and opposed themselves to the simplicity of the Gospel of our Christ.

There have been 6,974 added to the church; 3,369 on profession of faith; 3,605 otherwise; 1,865 adults and 1,000 infants have been baptized. Several new churches have been builded, and parsonages also erected. Books have been sold, Advocates taken, and the literature of our faith disseminated.

But our progress has not been commensurate with our opportunity, nor our zeal equal to our faith. Our ideals have outrun our attainments, and we do not sufficiently "possess our possessions." We need more men, more money, more zeal, more faith, more love for God and man, and a deeper consecration and a richer personal experience. To this end let us labor and plan and pray.

W. F. PACKARD.

Secretary's Report Board of Missions.

The year now closing has not been harder upon our Domestic Mission fields than upon our self-supporting work. The Missionaries have applied themselves faithfully to the service of their several fields, and religiously, the fields with but very few exceptions, have prospered.

While the year has been a hard one, on material improvement and financial support, the Board is pleased to note more than average progress.

The number of Mission fields has been reduced from fifty-seven in 1905, to fifty-six for 1906. There have been about nine new fields entered for the coming year, some of which are regarded as very important. The Board expects in a very few years that some of these new fields will be among our best self-supporting charges.

About nine of the fields on our rolls last year have been taken off, either to form self-supporting works, or to be absorbed by, and become a part of, self-supporting works.

We are glad to see a growing confidence in our Domestic Mission work. The more our people see of the good results of the Domestic Mission work, the more hearty they are in their support.

And yet, our greatest need among our people is a thorough grasp of our Domestic Mission situation. The complete occupation of our own Conference territory, as it ought to be, depends largely upon the zeal and wisdom of our Domestic Mission work.

The request for aid from the various Districts were about $1500 in excess of what the Board felt able to appropriate. With the present financial stress, we deemed it not wise to make a large increase in assessments; and our receipts being some little smaller than at last Conference, the Board was altogether unable to make as many and as large appropriations as the cause really demands.

And the Board also requests that the Presiding Elders take the collection at the several District Conferences to defray the incidental expenses of the Board. The Board by motion requested the Bishop to appoint J. B. Sears, Conference Secretary of Missions.

The Secretary was instructed to draw on the Treasurer for money to defray incidental expenses for an amount not to exceed $50.00.

The following assessment was made by the Joint Board of Finance on the several Boards to pay for the printing of the Minutes of the present session, viz:

Board of Missions	$135 00	Joint Board Finance	$100 00
Board Church Extension	65 00	Board Education	50 00
Sunday School Board	25 00		
		Total	$375 00

By action of the Board, W. A. Sampey has been appointed to represent the interests of the Superannuate Endowment Fund by visiting the various District Conferences, or appointing suitable persons to do so.

T. S. GARRISON, Treasurer.

Report of Bible Society.

We recommend that the pastors in their respective charges make a special effort to increase the amount raised for the American Bible Society to an amount greater than that of any former year in order to meet the pressing demands of that institution. But we do not feel justifiable, under the existing conditions, in asking the Conference to grant their request by assessing a stated amount.

C. A. TOWER, President.

T. J. MILAM, Secretary.

Report of Preachers' Aid Board.

Brethren: We, your Preachers' Aid Board, report for your information as follows: The Secretary and Treasurer being detained at home on account of extreme illness of his wife, failed to attend the meeting of our Conference at Marshall in 1904, but the Rev. H. M. Sears collected interest on the Preachers' Aid Board notes to the amount of $26.00, and turned it over to the Treasurer of the Joint Board of Finance. We have

to report that we have collected and turned over to the Treasurer of the Joint Board of Finance $80.30.

Respectfully submitted,

T. S. GARRISON, President.

TOM MURRAH, Secretary and Treasurer.

Report of Auditing Committee.

Your committee appointed to audit the books of Conference Treasurer L. L. Jester report as follows:

We find that his books are correctly and systematically kept, and that he has received during the Conference year for the various funds the following amounts:

Bishop's Fund	$1,776 10	Education	3,574 26
Conference Claimants	6,655 80	American Bible Society	169 10
Foreign Missions	8,790 00	Ex. Del. Gen. Conf.	
Domestic Missions	8,172 10	Orphanage	2,086 00
Church Extension	3,452 95	Children's Day	174 62
		Paine and Lane	346 90
Total			$35,197 23

We find that the work of the Treasurer and the various boards is greatly hindered and delayed by reason of the failure of some of our preachers sooner to place the funds collected into the hands of the Treasurer, and also by their failure to take their collections sooner in each year.

Recommendations.

First. We recommend and urge upon our preachers that the various Conference funds be collected as early in the year as it is practicable to do so, and remitted to the Treasurer as soon as collected.

Second. That where it is possible to do so, all late collections be sent to the Treasurer, so that same shall reach him not later than five days before Conference convenes.

Resolutions.

First. That this Conference, by rising vote, hereby extend to Bro. L. L. Jester its sincere thanks for, and its hearty appreciation of, the services so ably rendered by him as our Treasurer, and we hereby recommend his re-election for another year.

Second. That the Treasurer of the Conference be made a bonded officer, and his bond be fixed at the sum of Ten Thousand ($10,000.00) Dollars, such bond to be signed as surety by some approved surety company doing business in Texas. We suggest that the funds necessary to pay for such bond should be raised in the same manner as the fund for printing the Conference Minutes.

This resolution (No. 2) is submitted at the suggestion and request of our Treasurer, Bro. L. L. Jester, and meets with our hearty approval. The premium on the bond of our Treasurer will be considerably reduced if the checks drawn by him are required to be countersigned.

We, therefore, recommend that Bro. John Howard, of Tyler, be elected Assistant Treasurer, whose duty it shall be to countersign all checks drawn by our Treasurer on funds belonging to the Conference.

We congratulate our earnest preachers and give thanks to God for the magnificent showing made on the collections for this year. Notwithstanding the unprecedented failure in crops throughout East Texas, the grand to-

tal of these collections for this year is less than 4 1-2 per cent short of the total for last year.

Respectfully submitted,

R. M. KELLY,
F. S. EBERHART,,

MEMOIRS.

Rev. John S. Mathis.

Rev. John S. Mathis was born in Henderson county, Tennessee, February 20, 1830, and departed this life in Pittsburg, Texas, March 4, 1905. He professed religion under the ministry of Rev. John Mahon and D. C. Wells, in Gibson county, Tenn., August, 1846, and at the same time and place joined the Methodist Episcopal Church, South. He was licensed to preach at the Quarterly Conference of Trenton Circuit, Memphis Conference, October 11, 1851, Rev. Finley Bynum, P. C., and Rev. J. W. McFarland, P. E. He came to Arkansas in 1852. For a few months he taught school, and that fall was admitted on trial into the Arkansas Conference. He was, in 1854, sent to Ozark Circuit, with twenty-four appointments. In 1855 he traveled the Waldron Circuit, with eighteen appointments; in 1856, the Boonsboro Circuit, with sixteen appointments. At the close of this year, he transfered to the East Texas Conference. He traveled the Boston Circuit in 1857; in 1858 and 1859, the Paris Circuit; in 1860-61, the Boston Circuit; in 1862, the Paris Circuit. On the 22nd day of March, 1862, he enlisted in the Confederate army as a private soldier, in Whitfield's legion of Texas Cavalry, and was very soon appointed Chaplain. He served his country and church in this office until the war closed. At or about the close of the war he was returned to his old Conference and resumed work as an itinerant. In 1865, '66, '67 and '68, he traveled the Marshall Circuit; in 1869, '70, '71 and '72, he traveled the Starville Circuit; in 1873, '74, '75 and '76, the Henderson Circuit; in 1877, the Starville Circuit; in 1878, the Longview Circuit; in 1879, '80 and '81, Pine Hill Circuit; in 1882, '83 and '84, Troupe and Overton Circuit; in 1885, '86, '87 and '88, the Palestine Station; in 1889 and '90, Henderson Station; in 1891, Rusk Station; in 1892 and '93, Marshall Station; in 1894, '95 and '96, Crockett Station; in 1897, Mt. Pleasant Station; in 1898-99, Pittsburg Station; in 1900-01, Rusk Station; in 1902-03, the Daingerfield Circuit. These figures only tell of times, and these names of places. A life of fifty long and eventful years is bound up in them. Brother Mathis was ordained deacon October 2,

1855, at Fort Smith, Ark., by Bishop Pierce. He was ordained elder November 25, 1857, by Bishop Kavanaugh, at Rusk, Texas. In 1856 he was happily married to Miss Mary J. Caviness, of Scott county, Ark. In 1858 the angel of death came to his happy home, and his lovely young wife was taken from him, leaving a tender babe of eight months to his care. Clouds will come, no matter how bright the sunshine. On the fourth day of October, 1860, he was again married, this time to Miss Alcia Aurelia Jones. She lives to mourn his departure for the better world. She was a faithful, useful wife, and her praise is in the mouths of hundreds of people. He leaves two sons and two daughters. His children were raised well; they are all honored citizens and members of the church.

Brother Mathis was a strong preacher; sinners were convicted under his preaching; they repented and were converted. At the close of his twenty-fifth year he said to a friend: "I am safe in saying that one hundred and twenty-five souls have been converted each year." He never traveled a work up to that time without a glorious revival. He was a revivalist and a builder up of the church. He knew his people by name, and called the children by given name. He was a pastor. He asked nothing at the hands of the Conference, only to be sent, and without a murmur he went. The writer was his intimate friend for forty-five years, his P. E. a number of years, his comrade on the battle field, stood shoulder to shoulder with him in the pulpit and in the army, and without hesitation I say, he was a Christian, a gentleman and one of the noblest men I ever knew. Fifty years an active minister, going among all kinds of people, and never a word against him. He had no enemies. All of Pittsburg went to his funeral, and everybody mourned, but angels shouted. Our Conference mourns, but thousands in the better world, where flowers never wither, and where spring abides forever, are singing because their old pastor has come home. His crown was made, the stars were placed, and the Master said, "It is enough, come up higher."

He was a sunny old man—the light that was in him made him happy, and those that were about him. A while before his death he said to his beloved P. E., Brother J. T. Smith, "I have known you and Dick Thompson a long time, and I want him and you to conduct my funeral." His work is done; his reward is now being enjoyed. Good-bye, dear brother, but some of us will soon meet you again. Wife and children, look up. He is waiting for you.

R. W. THOMPSON, for Committee.

Rev. Thomas W. Blake.

Rev. Thomas W. Blake was born in Fayetteville, N. C., on the sixth day of June, 1822. In his early youth he imbibed

those sturdy traits of character common to the Scotch community of Cumberland county: soberness, economy, love of God, and charity for his fellowman. These together with his natural Irish humor, made him in after life a man of widespread influence. He was prepared for college in a private school in Fayetteville, and entered Randolph-Macon College at the age of nineteen. He was a classmate of our Bishop McTyeire, and graduated from this college in June, 1844, bearing off the honors in oratory. He afterwards studied law and was admitted to the bar at Fayetteville. After following his profession awhile at his old home, he started for Texas, stopping a few years at New Orleans, but finally settled at Nacogdoches, Texas, and opened a law office in the old Stone Fort. After this he moved to Leon county, where he married Mary B. Durst, a true, intelligent, Christian woman. At her death he was left with two children. His second marriage was with Mary A. Smith, a cultured Christian woman, who faithfully and tenderly cared for him in his declining years.

Brother Blake was converted in early life and joined the Texas Conference in 1859. He was on the effective list until 1865, when he was superannuated. He sustained this relation to the Conference up to the day of his death, which occurred at his home at Plantersville, Texas, January 14, 1905. For more than forty years he was superintendent of our Sunday School at Plantersville. He always loved the children, and was dearly loved by them in return. For several months before his death he was very feeble, and suffered much; but the last few days he appeared to have been relieved of all pain, and looking in the eyes of his loved ones with a calm and peaceful assurance that all was well, he closed his eyes and fell asleep in Jesus. He is gone, but his influence still abides. We know where to find him. May we all meet him in the bright home above.

R. W. THOMPSON, for Committee.
